Robbers Escape With Cash After Holdup At Cafe

Wedding-Bound Pair Lose $140 Due to Halt For Coffee

Constable N. F. Dolley reported today that there is possible trace of the two armed robbers who on Saturday morning held up Cozzi's Cafe, a mile and a half west of here, and escaped with more than $300 in cash and liquor.

Charlie Cozzi told Dolley the two men entered the cocktail lounge at 1 a.m. when H. B. (Bob) Fowler of Auburn was the only patron. One of the men walked to the end of the bar fartherest from the door and the second stationed himself near the entrance.

The first man ordered a "shot" and it was served by Cozzi. The man then displayed the .32 calibre revolver and informed Cozzi:

"Now is the time, this is a stick-up."

The second man also drew a gun and Cozzi, his wife, Mary, and Fowler were ordered to keep their hands up.

The men took $25 from Fowler, approximately $140 from Cozzi and the cash register and helped themselves to two fifths of bond-whiskey.

Expensive Coffee

As they prepared to depart, Harriett Landon and George E. Garrille of Benecia, en route to Reno, they later told officers, to get married, entered the cafe for coffee. They were informed by the bandits of the holdup and were relieved of a wallet containing $140.

The robbers then herded the group into a rest room, ordered them to stay put, and left. They departed in a Chevrolet car but an accurate description was not available.

The men were described as being dressed in rough clothing, western style hats and had pencil mustaches, which were believed false. Cozzi said he had noticed them driving back and forth before his cafe and presumed they were "casing" the place.

Dolley Just Left

Constable Dolley, on his night rounds, had stopped at Cozzi's earlier and it was only a few minutes after he left that the robbery took place and it was presumed they awaited his departure before entering.

Officers in nearby communities were alerted but because of the lack of an accurate description of the car and occupants, the pair evidently made good their escape.

After Dolley returned in response to a call, Cozzi pointed to the glass of whiskey he had poured for the robber when he first entered:

"See that glass of whiskey?" he asked Dolley. "Well, it cost me $140—and by golly I'm going to drink it." And he proceeded to do so.

RICHARDS BUYS FIRPO'S INTEREST IN TOURIST CLUB

Announcement was made this week that John A. Richards, partner of I. Firpo in the Tourist Club on Commercial Row, has purchased the interests of the latter and the partnership has been dissolved.

Firpo, who has been in the cafe and liquor business for nearly 20 years, will devote his full time to the operation of Cabona's, which has been under the ownership and management of his wife for the past several years. During recent years, Firpo has assisted in the work at the clothing store while retaining his interest in the Tourist.

Richards will assume full charge of the Tourist Club, possibly at the end of this week. He will be assisted in the establishment by his brother-in-law, Jack Pearce of Richmond, who is expected to move here with his wife and daughter some time this coming weekend.

The new owner of the Tourist came here several years ago from Nevada City and purchased a partnership in the place from Firpo. He plans to continue the same policies which have popularized the club in recent years.

CHEST X-RAY UNIT HERE NEXT WEEK, FREE TO PUBLIC

The x-ray unit, sponsored by the Nevada County Tuberculosis Association and made available free of charge to everyone, will be in Truckee at the fire station from 10:30 to 1 and from 3:30 to 7 p.m. next Tuesday and everyone is urged to take the brief examination to "protect the family circle."

Cards for those 12 and over may be obtained at Bud's and should be filled out prior to going for the examination. Members of the PTA will be on hand to assist in registering applicants for the test which requires only a minute or two.

Date For Annual Buck Stew Fixed By Truckee Club

Sunday, October 7, has been set as the date for the annual buck stew by the Truckee Outdoor Sportsmen.

This was decided at a meeting of the officers of the group last week when Mrs. Charles Osburn was named general chairman by President Johnny Ciardella. Another meeting will be held in the near future to work out details and a program.

The free feast will be held at Capitol Hall and Johnny and Julia Ciardella will be the chefs as usual, assuring a nice meal. The usual awards will be made and preparations will be made for a large reception.

FOUR-LANED "40" PROSPECTS GOOD SOLON DECLARES

U. S. Senator George Malone (R., Nev.) said yesterday that the prospects of widening U. S. Highway 40 over the Sierra are now bright. The senator has been in consultation with Commissioner of Public Roads Thomas H. MacDonald and Secretary of Commerce Charles Sawyer about making Forty a four-lane road between Reno and Sacramento.

The federal officials agree with Malone that the present two-lane road is inadequate and have promised their cooperation toward the improvement.

Malone said the 140-mile strip between the cities of Reno and Sacramento was overcrowded before the Korean war started and now is totally inadequate for the truck-borne transportation of priority war supplies.

"The widening of U. S. 40 to a four-lane highway over the Sierra," Malone says, "is most important not only to Nevada and California but to all the country, in view of present defense efforts."

Continuing, the senator said: "Because of the fact that Highway 40 is a main arterial between the east and the west, thus making it a defense facility, the states of Nevada and California are entitled to look to the federal government for a large part of the funds necessary.

"It will be necessary, however, for the two state governments to do their part; the highway is vital to present-day civilian requirements as well as to military requirements."

STOCK CAR RACES SLATED SEPT. 9TH ON RENO TRACK

Stock cars, 1950 and 1951 model sedans and coupes in virtually the identical condition in which they rolled off the dealers' show room floors, are expected to reach speeds of 75 to 80 miles per hour Sunday in the 150-mile classic in Reno.

Qualifying laps of one mile each will start at noon and these will determine the select field and starting position for finalists in the 150-lap chase.

The main event begins sharply at 2 p.m. at the big Reno track, located northeast of the city out Alameda Street off Fourth. It is sanctioned by the American Racing Association. Virtually all the top money winners at the recent 250-mile classic at Bay Meadows have decided to come to Reno for the Gold Cup event. n

Miss Olga Owens returned to her teaching position at Millbrae having spent the summer with her mother, Mrs. Lawrence Owens.

Only One Mishap Mars Labor Day Weekend In Area

Labor Day Visitors to Area Mainly Well Behaved, Lawmen Report

In spite of the unusually heavy traffic in this area over the Labor Day weekend, the Truckee and Lake Tahoe areas recorded only one accident worthy of a report, the California Highway Patrol reports.

Jacklyn George Campodonica, 25, San Francisco broke one leg when he was thrown from his motorcycle after the vehicle hit a rock near Hirschdale Sunday afternoon at 2:45 o'clock. He was treated by Dr. L. D. Nelson. Patrolman William Gautsche made the investigation but no citation was issued.

Fourteen arrests for violations were made by the local squad of the patrol which had been augmented by cadets from the patrol academy at Sacramento for the holiday period. Most of the arrests were for bad passes, speeding and reckless driving.

As a matter of fact, the accidents were far less than those recorded on recent weekends and it was classified as one of the quietest from that standpoint for the entire summer season, probably due to the fact that the volume of cars made speeding virtually impossible and also due to the constant vigilance of the local officers who worked night and day shifts.

Constable N. F. Dolley and Deputy Sheriff Wes Fair reported nothing of note in local police activities aside from the robbery at Cozzi's Cafe and the holiday weekend will go down as one of the best on record.

TACKETT - BROWNE WEDDING SUNDAY AT LAKE CHAPEL

Bishop Noel Porter officiated at the wedding ceremony of Ivy Tackett and Gregory Browne in the attractive Episcopal Chapel of the Pines at Tahoe City on Sunday afternoon, September 2.

Mr. and Mrs. Frank W. Gaiennie attended the couple and were hosts at the reception following the rites.

Mrs. Browne chose a costume of chartreuse and white.

Guests included Mr. and Mrs. Ray Hartsen and sons of Concord, Mr. and Mrs. Richard Klier and sons of Oakland, Mr. and Mrs. Ted Williams and Mr. and Mrs. George Rhodes of Albany, Mrs. Judith Pierce of Concord, Mrs. Emily Jenner of Oakland, mother of Mrs. Browne, Mr. and Mrs. Clarence Browne of San Francisco, parents of the groom who are houseguests of the Gaiennies, Ruth Hatch of Tahoe City, Mr. and Mrs. Robert Edwards, Mrs. William Allen, O. Adey, Wally Watkins and Marvin Browne, all of Truckee.

Mr. and Mrs. Browne will return here after a honeymoon trip of undisclosed destination.

Girl Scouts Will Pour For Mothers Monday

The local Girl Scouts will preside at a tea honoring their mothers Monday, September 10, in the Wyethia Club house from 4 until 6 p.m. The program will include Rosalie Kaspian and Patsy Nast at the piano and Loretta Farrar in vocal selections.

Members of the tea committee are Irene Englehart, Janice Price, Jessie Rablin, Lila Farrar, JoAnne Allen, Janice Gray and Rosalie Kaspian. Decorations will be carried out in the Girl Scout colors of yellow and green.

Oroz Youngster Receives Sacrament at Gardnerville

Mr. and Mrs. George Pace and sons of Sunnyvale left here after visiting relatives and friends, going to Gardnerville, Nev., where they were guests of Mr. and Mrs. Andrea Oroz, also former local residents.

It was reported that the couple were chosen as God parents for Kathleen Mary Oroz, who were christened the latter part of the week. The little girl is a grandchild of Mrs. Steve Besio.

Sun Beams

by Walter M. Barrett

With the general exodus of vacationists from this area, we wonder how many of the travelers realize they are leaving just as the most enjoyable part of the season approaches. The summers are fine—they provide a very enjoyable atmosphere and a carnival spirit reigns—but for a real rest and vacation in cool, crisp evenings and mornings and warm, sunshiney days, with nature at her rarest, this high Sierra region is unexcelled. Natural colors are changing from the vivid summer hues to the pastels of fall in a way that delights the eye, and the region basks in quiet splendor as it prepares itself gradually for the coming of winter. It is really unfortunate that the coming season can't be enjoyed by more than the comparative few who have learned the pleasures of fall in the Sierra.

Although one long weekend has just past, another lies ahead and there will be plenty more traveling on the highways before the vacation season ends. So, if you're among those who hit the open road, don't hit it with a bang. Take it easy. Drive cautiously but don't be jittery. Think of the other fellow as well as yourself, whether that fellow is in the car with you, in another car or a pedestrian. The state highway patrol makes these recommendations: Hold down your speed; be especially careful in passing other vehicles and **never pass** on a hill or a curve; don't drive if you're fatigued or sleepy. Common sense in driving contributes to the common safety. Allow plenty of time for traveling to and from your destination. Better have a shorter time to play and a longer time to live.

TAHOE-SIERRANS PLAN TWO MEETS SEPT. 12, SEPT. 19

TAHOE CITY— The board of directors of the Lake Tahoe-Sierra Association will hold a meeting at Glenbrook Wednesday, September 12, at noon. All members are expected to attend the luncheon as important matters are scheduled for disposition. President Harry O. Comstock will preside.

The September meeting of the association will be held at Brockway Hotel September 19, when a luncheon will be served and a business meeting held. Leslie Woods of Sacramento, member of the city council of that city and director of its chamber of commerce, will be the main speaker.

The theme of the meeting is expected to be regarding lake-wide advertising for 1952 for the purpose of interesting more people in the area as a leading vacation and recreational center.

Donner Theater Party Honors Boy's Birthday

A Donner Theater party preceded by dessert and games at the home of Mr. and Mrs. Robert Leamon was given on Saturday evening to celebrate the seventh birthdate of their son, Barry, which occurred on the following day.

Playmates present for the event were Persis Ainey of Oregon, Donna and Carol Gracik, Linda Giovannoni, Theo and Patricia Scott, Marcia Leamon, Johnny Firpo, Timmy Kelley, Brian Phipps, Terry Walker, Merrill Englehart and Donnie Neighbors of La Mesa.

Knowles Sell Motel Near Donner Lake

Mr. and Mrs. C. J. Knowles left last week for San Jacinto after selling their motel business at Donner Lake to Mr. and Mrs. Roy Slate, recently of Rodeo. The new owners took over the business on September 1, according to Mrs. Knowles.

At Walnut Creek—

Mrs. Frank Gaiennie is a guest of her son-in-law and daughter, Mr. and Mrs. Ray Sykes, at Walnut Creek.

Guests from City—

Mr. and Mrs. Robert Anderson of San Francisco were weekend guests of Mr. and Mrs. A. P Leitch.

A.T.A. Shoot To Feature Activity At North Tahoe

Nation's Best Trapshooters Slated to Compete for Cash, Trophies

KINGS BEACH— The opening event of the Third Annual Lake Tahoe Gun Club's shoot, sponsored by the A.T.A., starts at 9 a.m. Friday, September 7, and continues through until September 9. The shooters are competing for $1650 added money and $500 in trophies.

This shoot, sponsored by various sporting clubs in the Tahoe area, is attracting wide attention from the best trapshooters in the country, who are returning from the recent Grand American Handicap at Vandalia, Ohio. Arnold Reigger, Seattle, former P.I.T.A. champion in addition to just having won the overall at Vandalia, and Eddie Fumasi, Delavan; A. A. Moschetti, Oakland; A. E. Sheridan, Cutbank, Mont.; E. G. Witstanley, Eugene; A T. Fox, North Bend; Ted Jantzer, Trail, Ore., are prime favorites to win this championship.

Other out-of-state shooters include Geo. H. Meyers, Carson City, winner of the 1950 shoot; Dick Williams, Lawrence, Kan.; Whitey Schuggart and Neil Pritchard, Las Vegas; Newt Crumley and Ted Lunsford, Elko; Harold Smith, Charley Mapes, Tom Warner, L. Holland, Al Brundage, Phil Miller and Jim Simpson, Reno. Crumley cleaned up at Elko last week. The entries also include Jim and Betty Vease, Tucson, and B. A. Gillespie, Gila Bend, Arizona.

Women shooters include Mrs. Helen O'Dell, LaGrange, winner of the Ladies' Shoot at Sacramento last week; Mrs. Carl Collard, San Bernardino; Gloria Mapes, Reno, and Mrs. H. O. Comstock, Brockway.

Ollie Fine, LaGrange, present California state champion and a former P.I.T.A. winner, is among the entries.

Lake Tahoe Gun Club standouts are Ray and Andy Sorensen, John Rayburn, Joe King, Tom Sutton, Dixie Reese, Harry O. Comstock, Fred Baker and Carl Collard, San Bernardino.

A Calcutta dinner and auction will be held Saturday, September 8, at the Cal-Vada Lodge, starting at 7 p.m. The public is invited.

FIRST P.T.A. MEET HERE MONDAY TO GREET TEACHERS

The first meeting of the Truckee Parents and Teachers Association this semester will be held Monday evening, September 10, at 8 o'clock, according to President W. J. Smisek.

This session will take the form of a reception for the teachers of the local schools and will be held in the Truckee elementary school. The executive board will act as hosts and do the serving. All parents, regardless of whether or not they are PTA members, are asked to attend, Smisek said.

A meeting of the executive board was held yesterday afternoon and Mrs. Dorothy Rose was appointed secretary to succeed Mrs. William Bottell, who moved from the community this summer.

Truckee Woman Hurt In Fall from Ochard Tree

ROSEVILLE— Mrs. V. F. Goodpastor of Truckee was taken to the Highland Hospital in Auburn with a fracture of her right leg suffered in a fall from a tree in an orchard on the Old Auburn Road near Sylvan Corners.

Mrs. Polyanich Will Visit New Grandson

Mrs. Tony Polyanich and her granddaughter, Geraldine Weeden, are going to Oakland on Monday to see the latter's brother, Roger Charles, who was born in that city on Friday, August 24, weighing 8¼ pounds at the time of his arrival.

The boy is the fourth child and third son of Mr. and Mrs. Keith Weeden, both formerly of Truckee, their mother being the former Frances Polyanich.

Heavy Traffic Recorded Over Local Highway

A new weekend record for automobile travel was set at the Truckee quarantine station over the three-day Labor Day holiday, W. C. Gage, in charge of the local station, announced.

The 8,774 cars checked Saturday, Sunday and Monday, exceeded by 654 the 8,120 inspected last year and the passenger total for last weekend was 25,045 as compared to 22,819 for 1950. The count does not include local vehicles nor those traveling east.

This record was established in spite of the fact that Highway 40 between here and Reno was closed last Thursday and widespread publicity was given to the fact.

While commercial vehicles showed a drop from last year's 231 to 189 for the recent week end, buses increased from 87 for 1950 to 116 for 1951, Gage reported.

2,000 ARE SERVED AT PARISH PARTY IN KINGS BEACH

Despite inclement weather for the season, the bazaar and barbecue sponsored by the Truckee, Tahoe City and Kings Beach Catholic parishes at Kings Beach Thursday was a pronounced success and nearly 2000 people assembled to join in the festivities and enjoy the turkey and ham feast.

Father Patrick O'Neill expressed his sincere thanks for the outstanding cooperation and assistance given in conducting the affair. "It is hard to express in words the thanks we feel for the response and cooperation," Father O'Neill declared. "The success of the affair was due entirely to this fine spirit."

The Henry J car was presented to Dean Maddox of San Francisco and the deep-freeze went to Mrs. Norman Theilan of Kings Beach.

HIGH, JUNIOR HIGH REGISTRATION TO BEGIN THURSDAY

Pre-school registration for the Tahoe-Truckee high school and the 7th and 8th grades will be held at the new school building west of Truckee on Thursday and Friday, September 13 and 14, Everett V. O'Rourke, district superintendent, said this week.

The registration is for new students and those wishing to change their programs this year.

In the meantime, workmen are making frenzied efforts to have the classrooms and cafeteria open for the beginning of classes on September 17. Work is being concentrated on the academic wing of the new structure and O'ourke has been assured by the builders that this portion of the structure will be completed by the date set for starting classes, although much work remains to be done.

The two weeks delay in opening the high school resulted from tardiness by the contractors to have the building ready on September 4 when other schools in the district started classes.

Fund Is Being Raised For Pioneer's Grave

C. B. White, secretary of the Truckee Cemetery District, said that donations will be accepted for marking the grave of the late Mrs. Lotta Bryant, pioneer Truckee matron and for many years a prominent civic leader.

The body was laid beside that of her late husband, Dr. Bryant, in the Truckee cemetery but the lack of funds have made engraving the stone impossible. White said the work would cost only $35 and suggested that those wishing to contribute to the fund contact him at his office or mail the contributions to him.

Judge Wilson Operates From New Court Room

Justice of the Peace Fosten Wilson held court in the new quarters on Commercial Row on Tuesday, September 4, giving transients Cecilio Villaneuva and Harry Jacobson 30 days each for violating county ordinance No. 136.

Deputy Sheriff Wesley Fair and Constable N. F. Dolley were the arresting officers.

Near 600 Will Be Registered In Local Schools

Kindergarten and First Six Grades Enroll 175 At Truckee

With 369 pupils registered in the kindergarten and first six grades of the elementary schools of the Tahoe-Truckee Unified District, classes were opened Tuesday in the four schools and schedules were resumed.

An anticipated enrollment of 200 in the upper six classes will bring the total to nearly 600 for the year, E. V. O'Rourke, district superintendent, believes.

The top six grades will enter the new high school on September 17, under the present schedule following registrations next Thursday and Friday.

The Truckee fourth and fifth grades are being instructed in the old high school building, half of the former auditorium at the elementary school being devoted to the library which will eventually be moved to the new high school and providing a play room at its present location.

A break down on the enrollment in the schools now open shows the following:

	Tahoe Lake	Truckee	Kings Beach	Donner Trail
Kindergarten	11	24	10	....
First	15	26	13	5
Second	14	28	11	6
Third	17	31	13	5
Fourth	9	25	11	5
Fifth	13	20	10	4
Sixth	11	21	7	4
Totals	90	175	75	29

Class Changes

Minor changes in hours of classes were announced, with the 1st, 2nd and 3rd grades in the Truckee and Donner Trail schools attending from 9 a.m. to 2:30 p.m. Other classes in those schools end at 3:30 p.m. At Kings Beach classes open at 9:15 and close at 2:45 and at Tahoe City they open at 8:30 and close at 1:45, allowing only a 45-minute lunch period.

This variation is done to accommodate bus schedules, O'Rourke said.

JAIL INMATE DIES WHILE SERVING 30-DAY SENTENCE

Albert Bates, 62, died in his sleep in the jail at Truckee Friday night. He was serving a 30-day term on an intoxication charge.

A carpenter by trade, he had been in and out of here for a number of years. He was convivial by nature but officers cannot find he informed anyone of his birthplace or relatives.

"I am the last one of my family," he reportedly told some.

An autopsy revealed Bates succumbed to pneumonia, Dr. L. D. Nelson said.

Tahoe, Norden Tots Christened This Week

Father J. Boland, former local Catholic pastor now of Sonoma, officiated at the christening rites at Tahoe Friday for Cheryle Marie Bechdolt, daughter of Mr. and Mrs. William Bechdolt. Carl Bechdolt Jr. is the godfather and Mrs. Madeline Hamilton the godmother. A reception was held following the ceremony.

The following day, two christenings were celebrated. Alfred Rubal Caba, son of Mr. and Mrs. Simon Rubal Caba of Norden was christened and the godparents are Mr. and Mrs. Mike Nunez.

Thomas Floyd Carnell, son of Mr. and Mrs. Richard Carnell was christened by Father Patrick O'Neill, with Pete Vanni of Tahoe City and Mary Heaney of San Francisco named as godfather and godmother.

Merrill Englehart Feted Monday on Birthdate

Merrill Englehart observed his ninth birthdate on Monday, September 3, with a family dinner at the home of his parents, Mr. and Mrs. W. M. Englehart Jr. Gifts were opened by the guest of honor following dinner. Those attending were Mr. and Mrs. W. M. Englehart Sr., Mr. and Mrs. John Brown, Mr. and Mrs. Maurice Franzini and the honoree's sisters, Irene and Gail.

Wife Sues for Divorce Against John Caruso

Dorothy Mae Caruso last week filed suit for divorce against John R. Caruso of Colfax charging cruelty. She asks for the community property which she lists as Caruso's Restaurant near Colfax, a half interest in the Emigrant Gap Hotel, a bank account in Auburn, two automobiles and a truck.

Hot Rodders Are Hit By New State Law

Owners of hot rods and stripped down cars had better begin thinking about replacing those fenders, or reasonable facsimilies thereof—the California Highway Patrol warns.

Beginning September 22, the patrol will enforce a new section of the vehicle code which requires all vehicles to be equipped with fenders, flaps, covers or similar devices. The only exceptions are vehicles weighing less than 1500 pounds and those not requiring registration.

The octopus has eight tentacles of equal length; the squid has ten, two of which are longer.

KINGS BEACH PILOT MAKES LANDING ON MT. ROSE ROAD

Mt. Rose Road served as an emergency landing field last Thursday when the Beechcraft Bonanze piloted by W. C. McAfee of Kings Beach developed engine trouble and made a forced landing near the Mesa.

The ship was bound from Reno to Fresno. Soon after leaving the Reno airport, it developed engine trouble. Deciding against trying to set down on South Virginia St., McAfee maneuvered the plane to the Mount Rose Rose where he executed a perfect landing, according to witnesses.

Passengers in the plane were Mr. and Mrs. W. A. Crockett of Fresno. There were no injuries as a result of the forced landing and the plane was not damaged.

SPARE YOUR CHILD, TEACH SAFETY, PETERKIN ADVISES

by GEORGE PETERKIN
(Captain, Calif. Highway Patrol)

Schools are again open for the new term and our highways are crowded with youngsters, either as pedestrians or as passengers on buses. Now is the time for parents to safeguard their children by seriously impressing upon them the common sense safety rules.

If the child rides a bus the school authorities will instruct as to conduct on the bus but the parents should select the route the route the child will take going to and from his home and allow no deviation or loitering. He should be instructed how to cross streets by

waiting until traffic is clear and then walk across, never run. On country roads to walk facing traffic and never insist on his rights and privileges where cars and trucks are concerned. To come home directly from school and obtain permission before going over to another lad's home to play. Many tragedies have occurred when parents had no idea where their child was at the time or what he was doing.

Under no circumstances should a child be allowed to accept rides from strangers or try to hitch rides on passing vehicles. Daily newspaper stories certainly should convince everyone why this should not be allowed.

Proper bicycle riding should be stressed and the danger of two on a bike explained. A few days ago a child was killed in a neighboring town riding on the handlebars with resulting loss of equilibrium. Bicycles, being vehicles, must be ridden on the right side of the highway the same as other vehicles travel and not on the left side as pedestrians. Above all, parents should not allow youngsters to ride bicycles after dark without lights. This practice invites death and injury just as surely as if automobiles were allowed the same practice.

Many children are startng school for the first time and it is very important that parents accompany them to the bus or destination until such time as they have thoroughly learned the simple safety rules and can be trusted to follow them. Those first instructions are important and the little tykes are utterly bewildered upon leaving home for the first time.

On September 22 a new law goes into effect which requires all school buses used for the transportation of school children to be equipped with a flashing red light signal system which shall be in operation whenever children are unloading to cross a street, highway or road, or when a bus is stopped for the purpose of loading children who must cross a highway, street or orad to board said bus. Such signal shall not be operated at any other time.

Drivers must bring their vehicles to a stop immediately before passing the bus and MAY NOT PROCEED UNTIL THE RED FLASHING SIGNAL CEASES OPERATION. On a highway with separate roadways such as the Auburn Freeway it is not necessary to stop if the bus is stopped in the other roadway. The same is true at intersections and places where traffic is controlled by traffic officers or signals.

Please, please, Mr. Motorist, do not let the lives of our youngsters depend on the proper functioning of an electrical device. You all know how frequently the lights on your car fail for many causes. When this happens with the bus red signal lights, the motorists do not have to stop, as the law only provides for stops when the signal system is in operation. Protection afforded by stopped traffic is then not provided for the children who have to cross the street. Realizing this, every motorist should drive in the vicinity of a scholo bus as he would if he knew his own child was on the bus.

YOUR BRAKES ARE THEIR BREAKS.

Party At Cal-Neva Lodge For Parish Benefit

Master of ceremonies Harry Richman and guest star Clark Gable entertained at Cal-Neva Lodge last weekend for a capacity crowd at a $10 a plate dinner presented for the benefit of St. Albert the Great Catholic Church of Reno. Proceeds of the party will be used to help retire the parish debt. Rev. John Ryan, pastor, made arrangements for the party.

SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W

Tahoe City, Sept. 3

Dear Tahoeites:

Slowly but surely, my favorite season of the year approachs . . . autumn. During the last few weeks the winds have whined around the corners and sent the whitecaps dancing at times furiously across Tahoe's placid bosom. Already the fields are brown and only here and there do wild flowers bloom, the hardy sage coming into its own as the season wanes. Here and there aong the river and along the hillsides, the gold and yellow tints of autumn are visible and soon our region will be aflame with the unearthly beauty which only a Tahoe-Truckee fall can bring.

Hear that Pete Ables is home with wife Ditty enjoying a well deserved furlough, and also learn that Ditty's parents, Mr. and Mrs. Stanley Z. Bolton of Tahoe Park, have returned from Fallon where they were reported conducting a lucrative business, because of Mrs. B.'s health.

Mrs. Meta Renner of Tahoe City dropped in one day last week and brought me up to date on her son and daughter, David and Betty Renner, both raised at Tahoe. David has a fine job in southern California, is married to a trained nurse and they are at present erecting themselves a new home at Woodland Hills near Los Angeles. Daughter Betty, who made many friends during the several summers she worked for Western Union at Tahoe Inn recently, has gone to school and is now a full fledged hostess with United Airlines. She is stationed at Washington, D. C., and alternates her flight each month, going from Washington to Chicago and Toledo one month and from Washington to Denver the next. She loves her work and looks very smart and pretty in her uniform.

In for a few days vacation last week were Mr. and Mrs. Harold Ambrosch of Glendale who were former residents of Meeks Bay each season. Ambrosch showed motion pictures of the various seasons at the lake to members of the Lake Tahoe Chamber of Commerce board of directors at the office at Tahoe City during his brief stay.

Called Bessie Dockham at the Fish Hatchery this evening and learned an item or two of interest . . . First of all, the Allan Pollitts of Placerville are the proud possessors of another grandchild, a six pound eight ounce boy born to their daughter Myra Lee (Mrs. Ralph Wilkins of Placerville) on the morning of August 25. Both mother and babe are reported doing fine . . . And next, the Dockham's 19-year-old son, Bob, will return to University of California at Berkeley to register on the 18th to continue his engineering course started last year. His grades were excellent and his parents have high hopes for outstanding success in his chosen field.

Surprised and pleased were the many friends of the Jake Stuart family which returned to thiis area several weeks ago from the ranch at Milford where Stuart was employed as manager. The Stuarts mvoed on Saturday to the former home of the Rex Tollefsons on the Truckee-Tahoe highway near Edgewater, where they will reside. Stuart will be employed as chief engineer in the new Tahoe-Truckee high school just west of Truckee when the school opens officially on Monday, September 17.

Mrs. Carl Wheat observed another birthday on Sunday, her son and his wife, Mr. and Mrs. James Wheat of Auburn, motoring up to extend felicitations on her natal day. Daughter, Mrs. Jean Henry of Tahoe City, baked a beautiful cake for the occasion, decorated with roses.

For once, fishing poles dangling from the concrete bridge at Tahoe City, where fishing is strictly prohibited by law, was legal! A local officer was called on Sunday morning (Sept. 2) by a bystander who declared that the eight boys involved were fishing. Investigation disclosed the boys were only playing a game, their hooks equipped with magnets which were picking up the lids of cans and other debris, thrown by an amused public to the big fish from the bridge railing. Salmon eggs and other such delicacies had been contained within them. The boy bringing up the largest amount of cans and covers was awarded a special prize.

Final proof that the summer has ended comes in the announcements of the closing of some of Tahoe's resorts . . . Tahoe Tavern ends its summer run with breakfast Tuesday morning, September 4 . . . Squaw Valley Resort closed Sunday until November . . . Cal - Neva closes on September 9, cancelling former plans to remain open until the 14th . . . Homewood Hotel plans tentatively to remain open for business until October 1st . . . and Chambers' Lodge will probably not close before mid-September . . . Brockway Resort, according to Manager Pete Bennett, will be host to a number of conventions during September, the last group scheduled to leave around September 19th. The resort plans to close for the season the last day of September.

Won't be too long now before the pretty white snowflakes will be falling but before that time, we hope the lake area is blessed with one of those rare and beautiful autumns where color runs riot throughout the brief Indian summer days . . . Leave you for another week with the best of good wishes to one and all, as ever,

Swanee

A 90-YEAR SPAN in locomotive development on Southern Pacific lines is depicted in this picture of the "C. P. Huntington" wood-burner and one of today's 6000 horsepower diesels. The trim little "C. P." was rolled off its exhibition platform at Sacramento recently to pose alongside its diesel great grandchild. The pioneer engine helped build the first transcontinental railroad in the '60s. It is 30 feet long, compared with 201 feet for the diesel; and weighs 22 tons compared with the diesel's 464 tons. The big fellow can move 65 times heavier loads than could the "C.P."

Polio Leads in California With 131 Cases

SACRAMENTO —(C. N. S.)— Polio cases in California reported to the state department of public health were higher than any other infectious disease, it was reported today. Counties throughout the state reported 131 polio cases, compared to 129 of mumps, the next highest, and 122 cases of measles. Chickenpox totaled 117 cases.

Army Officer in Japan Hosts Tahoe Dinner

TAHOE CITY— Guests of Bishop and Mrs. Noel Porter at their lakeshore home last week were Mr. and Mrs. Derroll Chace of San Jose. Other houseguests include their daughter, Mrs. Beverly Rauh and children, Beverly Louise and Teddy, of Sacramento. On Sunday last Bishop and Mrs. Porter and their daughter and her family were guests at dinner at Forest Inn. Their host was Mrs. Rauh's husband, Captain Herman Rauh, who extended the invitation to members of his family from his army post in faraway Japan.

MANY RECEIVE SACRAMENTS AT CHAPEL

TAHOE CITY— On Thursday, August 23, at 4 p.m. Bishop Noel Porter joined in wedlock Miss Merrill Marcella Smith, daughter of Dr. and Mrs. Verne C. Smith of Sacramento, and Willard Thomas Wylie of Modoc County, the ceremony taking place in the Episcopal Outdoor Chapel. A wedding supper was served later at Forest Inn.

The sacrament of confirmation was administered on Sunday, August 26, at 8 a.m. by Bishop Porter in the chapel to Frederick Oliver Greenlee and Gordon Walker Greenlee, sons of Mr. and Mrs. Frederick Greenlee of Piedmont and Sunnyside. The boys later received their first communion. They are the grandsons of Mr. and Mrs. Edwin Letts Oliver of Piedmont and Tahoe.

On September 2, Rt. Rev. Porter confirmed Robert Edward Sach, son of Denis Sach of Pineland, and Elsbeth Elise Beardsley, daughter of Mr. and Mrs. Charles Beardsley of Pineland.

On August 26, Elizabeth Anne Starratt, 3½ months old daughter of the John Starratts of Tahoe City, was baptized by Bishop Porter at the Outdoor Chapel. A party followed for the large group of friends who attended the service at the Starratt home in Tahoe City.

Also baptized Sunday was year-old Lynn Scoggins, daughter of Lloyd and Jennie Scoggins of the town of Scoggins, near Grimes. The family are vacationing at Carnelian Bay.

Tahoe Justice Court Fines for Traffic Violators

TAHOE CITY— Justice of the Peace C. W. Vernon of Tahoe City received from John A. Panelli of Colfax a check for $50, his fine for excessive speed and a bad pass on the Truckee-Tahoe highway on August 14. He was cited by Patrolman Tom Sheehan.

Frank J. Ribera, Truckee logging truck operator, paid a $25 fine in Judge Vernon's court on August 25 for a six inch overwidth of his logs. He was cited by Sheehan August 18.

Best Ball Golf Matches On Next Weekend

TAHOE CITY— All is in readiness for the second annual Cal-Neva best ball golf tournament on both the Tahoe City and Brockway glof courses on September 7, 8 and 9. The two-man teams will be divided with play on both courses. About 50 teams are entered from all over California and Nevada.

There will be a guest flight for professionals and a flight for women. Thirty-six holes will be played with cups awaiting the winners.

The Calcutta dinner will be held at Cal-Neva Friday night.

Lady Soldiers Enjoy Visit At Vernon Home

TAHOE CITY— Enjoying the Labor Day weekend with her parents, Mr. and Mrs. C. W. Vernon, in Tahoe City was PFC Florence Vernon, photo lab technician from Hamilton Field, and her friend. Master Sgt. Helen Schuyler, also of Hamilton. The lady soldiers accompanied Florence's brother-in-law and sister, Mr. and Mrs. Harold Farr of Oakland to Tahoe and returned with them on Monday to their post.

Tahoe Weather

TAHOE CITY— On Labor Day, the level of Lake Tahoe stood at 6227.81 with 14 gates open. A. E. Frodenberg reported high and low temperatures for the week as follows:

Aug. 27th: 72, 38; 28th: 63, 43; 29th: 61, 43; 30th: 66, 34; 31st: 70, 34; Sept. 1st: 70, 36; 2nd: 69, 37; 3rd: low 38.

METALS DISPLAYS AT STATE FAIR WIN SWEEPSTAKES

SACRAMENTO— A two-food long glass jar in Nevada County's exhibit at the California State Fair contains $4,200 worth of mined gold. The jar is safely displayed in a glass case, along with gold ore and nuggets.

The ore display includes samples of magnesite, zinc, silver, quartz, and iron ores. A picture of two Nevada County mines is located to the rear of the ore exhibit.

The whole booth is surrounded by glass cases containing gold ores, nuggets and polished gems. Nevada County placed second in the minerals display division. Diggings from many of the county's mines are on display in bowls to the side of the ore exhibit.

For their exhibit of chrome, lead, iron, molybdenum, silver, tungsten, zinc and mill products, Nevada County was awarded first in the metals sweepstakes. Shasta County was second and Calaveras County third. A trophy and $125 cash was the award given Nevada County. For second place $100 was awarded, while third received $75.

Agricultural products are shown at the left side of the booth. Large turntables revolve, showing bowls of Winter Nelis, Spitzenberg, Winter Banana and other apple varieties. Boxes in front of the tables hold some of the better known varieties — Jonathans, Winesaps, Red Delicious and King David apples.

Small fir trees decorate the back wall of the booth.

SUMMIT RANGER FINDS ACTIVITY OF SAWFLY PEST

On a recent inspection trip on the Big Bend Ranger District, Tahoe National Forest, Ranger Max Williamson, in charge of the district, took note of extensive damage occurring to the needles of lodgepole and white pine. Perplexed, and somewhat alarmed, Ranger Williamson took immediate and positive steps to determine the cause of the damage. He suspected it was the destructive work of the needle miner, as each of the old needles was nipped off at about one-quarter inch from the stem.

Williamson collected samples and sent them to the Forest Insect Laboratory at the University of California. The following diagnosis was made:

"From your descriptive note and samples of damaged needles, this defoliation appears to have been caused by a species of sawfly (Neodiprion sp.). The sawflys, as a group, are sporadic in their epidemic occurrence, usually lasting for one or two seasons, this disappear again as a result of natural controlling factors. The young larvae of this group of insects usually feed in clusters on the older needles, then as they grow, they scatter out over the foliage and feed singly. When full grown, the larva usually drop to the ground and form papery cacoons in the duff and litter.

"Because of natural controlling factors, artificial control is seldom necessary. However, severe defoliation for more than one consecutive year may lead to complications where bark beetles or other insects attack the weakened trees. Several other reports of sawfly damage have been received during this past spring and early summer season and it would be well to keep watch over this large area where you observed this damage to note possible additional defoliation or other infestations that might develop."

Always alert and keenly interested in the health of timber stands under his care, Ranger Williamson will continue to report any new occurrences of this trouble.

PARISHIONERS GIVE BISHOP PORTER NEW BUICK SEDAN

TAHOE CITY— Rt. Rev. Bishop Noel Porter of the Episcopal Outdoor Chapel and his charming wife were surprised and delighted last Sunday following the regular 11 a.m. services, when a committee of his congregation escorted them to a front seat of the chapel where following a resume of the esteemed pastor's life history by Lowell Berry, a beautiful green Buick sedan was presented to the Porters by his parishioners. More than $3,000 was collected, a check for the unused balance also being presented. Mrs. Milton Shontz made the presentation speech.

A rumor that the bishop was preparing to retire brought forth the reply, "Not for at least six years. There is still much work to be done."

Youth Center

Bishop Porter this week revealed that Norman Mayfield, local contractor, is now installing the foundation for a large washroom which will contain eight showers, six toilets and wash basins, the first unit of the summer camp which will be erected next year for the youth of the Sacramento and Tahoe parishes and other localities. Two big hot water boilers will provide the needed water for the youngsters, who will probably sleep in tents for the first year until the sleeping accommodations can be erected.

Young people from all over the state, both boys and girls, will be invited to Lake Tahoe for summer conferences, which are being sponsored by Bishop Porter and his aides. St. Nicholas Hall, on the church grounds adjacent to the chapel, will be used as a dining and recreation hall. Other needed accommodations wil be added as funds permit.

Winter Services

A special meeting is being held at Bishop and Mrs. Porter's home near the church Friday evening, September 7, at 8 o'clock to which all residents of this area who are interested in attending church services during the winter are invited. Bishop Porter declares that Rev. Max L. Christensen, rector of Trinity Church at Nevada City, has agreed to hold such services here twice a month if sufficient interest is shown.

Schlueter Tree Dedicated At Outdoor Chapel

TAHOE CITY— A large crowd attended the simple yet impressive rites honoring the late Theodore Schleuter at the Outdoor Episcopal Chapel on Sunday, August 26. Special singing by the choir included "Trees" as the plaque inscribed with Schlueter's name was unveiled. Two altar boys accompanied Bishop Noel Porter to the large cedar which stands beside the chapel. Mrs. Schlueter, the widow, was guest of honor.

Imon Mitchell Jr. Feted On Recent Birthdate

TAHOE CITY— Guests at the home of Mr. and Mrs. Imon Mitchell of Sunnyside last weekend were Mr. and Mrs. Glen Mitchell and children Terri and Lennie of Grass Valley, Mr. and Mrs. Hal Sharrow and children Linda, Steven and Janie of San Anselmo.

On Saturday evening a birthday party was held at the Mitchell home for three years old Imon Dale Jr. who enjoyed with the guests his big birthday cake and ice cream. Guests included Mr. and Mrs. Paul Webb of Tahoe Park, Mrs. Breuner, recently of Greece, and Loren Holmwood of Tahoe City.

Imon Mitchell, who is working in Marysville, spent the weekend with his family here.

There are seven mountains in Marin County ranging in elevation from 1403 feet to 2604 feet.

TAHOE-SIERRA MEET IS ADVANCED TO WEDNESDAY, SEPT. 19

TAHOE CITY— Mrs. Ruth Droste, secretary of the Lake Tahoe-Sierra Association, announces that the next meeting of the association will be held at Brockway Hotel on Wednesday, September 19, at noon, instead of Tuesday, September 11, as previously announced.

All members are urged to attend as discussion will be held regarding the allocation of funds for advertising the Lake Tahoe area and improving public relations during the coming year.

Mother Departs—

Mrs. Molly Ross, mother of Mrs. Bud Scott of Tahoe City, left for her home in Los Angeles via airplane from Reno on Sunday following a week's stay at the Scott home.

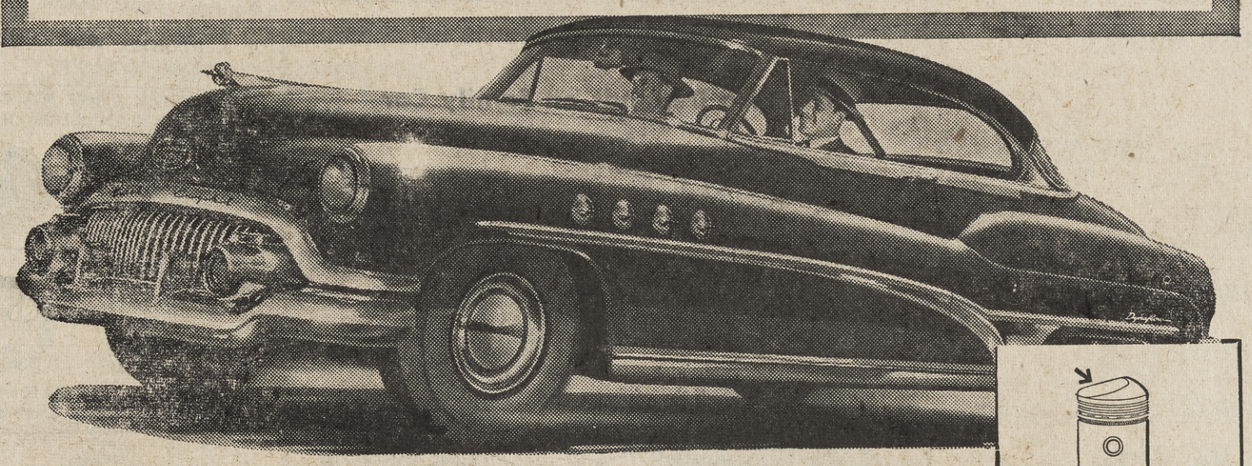
TRAIL BLAZER—
with plenty on the ball



How long since you lifted the hood of a car, and took a good look at what's beneath?

We like to have folks do that with a Buick.

You'll find that broad bonnet isn't put there for show. *It's packed with horsepower*—high, wide and handsome—more horsepower than normal drivers will ever use in full.

And—if you're up to date on *modern features*—you'll find that this bonnet is packed with these too.

Do you know, for example, that every new engine introduced or previewed in recent years is built on the valve-in-head principle?

Score one for Buick. *No Buick engine has ever been built in any other way.*

Do you know what it takes to make full use of high compression? A valve-in-head engine!

Score two: *Buick has been stepping up compression ratios for years.*

But Buick has blazed one trail which other engines still haven't followed—don't ask us why.

Every Buick has a Fireball Engine which, as we've said before, is like having a string of comets by the tail.

Fact is, in every flame-packed cylinder there *is* a comet—rolled into a swirling ball by a special turbo-top piston—touched off by a flashing spark every 5 inches you travel in a Buick.

That's why we're proud to show folks that Buicks have a Fireball Engine—and prouder still to have them take one of these thrilling performers out on the road.

Want to try it? Come in and see us soon.

Equipment, accessories, trim and models are subject to change without notice.

The secret of Fireball Power is in the use of dome-and-dip design of the piston shown above.

Here's the piston inside the cylinder. As it moves down, the fuel charge rushes in—sets up a swirl when it hits the piston top.

The piston moves up—compresses the swirling fuel into the comet shape shown here. "Compression ratios" are simply a measure of how much the fuel is compressed.

The ball of fuel is compressed around the spark plug—lets loose its pent-up charge when the spark is fired—delivering a higher percentage of power from each charge of fuel.

VALLEY INDUSTRY'S RELATION TO LAKE CITY TO ROTARIANS

HOMEWOOD— The regular Tuesday luncheon meeting of the Tahoe City Rotary Club was held at Homewood Resort. Rotary meetings will continue to be held at the resort through September, the last meeting there being September 25.

President Don Snyder called on the visiting Rotarians to introduce themselves. There were 16 visitors and 16 members present.

The guest speaker was Leslie Wood of the executive board of the Sacramento Chamber of Commerce who spoke on the industrial growth of the Sacramento area and what it means to Lake Tahoe.

Denis Sach extended thanks to Don Huff for his assistance in procuring programs this past summer.

Next week's program will be the club's annual "beef" meeting where members will be asked to suggest ways and means to improve the club and the lake area in general.

Visitors were Hall C. Ross, San Mateo; Gordon Mayer, Marysville Chet Hendrick, Walnut Creek; Bruce Kennedy, Los Gatos; A. Angell, Berkeley; Geo. C. Scoles, Fillmore; Fred Royce, Bert C. Scott, San Francisco; Lew Singer, Los Altos; Bishop Noel Porter, Sacramento; Henry Ford, Modesto; Arthur Borhmeir, B. T. Kehoe, Lodi; Lynn Latta, Los Angeles, Don Huff, Woodland.

CALIFORNIA EMERGES AS MAJOR POWER IN NATION'S POLITICS

by CLEM WHITAKER JR.
(California Feature Service)

California is slated to be the third most potent state at the Democratic National Convention next July and probably will be tied with Pennsylvania as the second most powerful state when the Republicans meet to nominate a candidate for President earlier in the same moth of July, 1952.

Thus the lusty, sprawling Golden Gate State, which only 101 years ago this September 9 was admitted to the Union, is emerging as a great political force in national elections. In time, California seems destined to lead a western bloc of states that will rival the mighty mid-west and east. Certainly the west could soon become the balance of political power between the east and the mid-west.

Whether or not the general California public is aware of the state's strategic importance, politicians across the nation know of it and are shaping their future plans accordingly. It's no secret that practically every known presidential aspirant, in recent weeks, has had representatives in California with an ear to the ground for political sentiment.

New political muscles for California are the result of the recent congressional redistricting under the 1950 census.

On the basis of congressional reapportionment the Democratic National Committee has awarded California 14 additional convention votes, an increase of from 54 to 68. Only New York with 90 delegates and Pennsylvania with 70 top this number.

The Republican National Committee is expected to make public its allotment of delegates to the various states next January when it meets in San Francisco to make convention arrangements. As of the present, however, on the basis of 1948 rules, the GOP national committee is expected to give California 70 votes, an increase of 17 from the 53 it wielded four years ago. If the estimate holds true, California's delegation will tie that of Pennsylvania as the second strongest while New York with a probable 96 delegates will top the list.

Across the country, in the Democratic book, 10 states will gain convention votes, 13 will lose and the remainder will hold with their 1948 figure.

States losing power in the Democratic column are as follows (In view of the Truman-Southern Democrat feud, it's interesting to note the southern states losing votes): Alabama, Connecticut, Delaware, Louisiana, Maryland, Michigan, Mississippi, New Hampshire, New Jersey, New York, Oregon, Pennsylvania and South Carolina.

States gaining power for the 1952 Democratic convention are: California, Colorado, Florida, Iowa, Ohio, Texas, Virginia, Washington, Wisconsin and Wyoming.

Until the Republican National Committee announces its convention vote allotment, all GOP losses and gains won't be known.

State is Tenant

The state of California rents 69 offices in Sacramento from private concerns, despite the fact the capitol and a large number of state buildings are located there.

FLORISTON

by C. A. FELESINA

A group of Floriston residents went to Nevada City to see officials about reducing taxes since the county will not do anything about a bridge here. Well, anyway we did get our luncheon. Those driving over were Mr. and Mrs. H. C. Savage, Mr. and Mrs. Charles Suefferle, Mrs. J. J. Smits, Mrs. David Germaine, Mrs. Lester Felesina and Frank Seymour.

Holiday guests at the Byron Miller home were Mr. and Mrs. Ed Pedit of San Francisco.

Preston L. Wright of Pasadena was up for the weekend. He had as his guests Mr. and Mrs. E. F. Bills and daughter of Monterey.

Mr. and Mrs. Ray Yurich had many guests over the holiday week end including Marco Melovich, Mr. and Mrs. Vinnie Melovich, Mrs. Marcella Bismier, Mrs. Mary Guiffre, Miss Patsy Souza, Mr. and Mrs. Anthony Armanini and three children, all of San Francisco.

Mr. and Mrs. Jack Elden of Richmond were visiting Mrs. Elden's sister and brother-in-law, Mr. and Mrs. Frank Seymour. Also visiting at the Seymours' were their son-in-law, and daughter, Mr. and Mrs. M. R. Laking and children of Long Beach and Mr. and Mrs. M. A. Laking of Sparks.

Mr. and Mrs. Lester Felesina spent a few days last week visiting the Thomas Julian ranch at Yerington. They are moving into Reno for the winter at least and Mr. and Mrs. Arthur Boast of Reno have moved into the Felesina house here.

Mr. and Mrs. Wm. Guidice of Tracy were visitors at the Boast home.

Tahoe Woman Honored At Birthday Party

TAHOE CITY— Mrs. Betty Starratt of Tahoe City was honored guest at a surprise birthday party held on Wednesday evening last at the Jay Shontz home here. The guests gathered for a delicious buffet dinner which was topped by a lighted cake, beautifully decorated in pink and yellow roses with silver leaves.

Many lovely gifts were received by the honoree who opened them following the repast which consisted of Chinese style dishes.Those attending the party, hostessed by Mesdames Beccy Shontz, Violet Pomin and Patti Scott, included Mesdames Margie Fellows, Helen Mattheus, Mary Anna Connors, Bernie Bechdolt, Jean Henry, Izzy Porter and the honoree.

NORTH TAHOE

by THELMA BURROUGHS

Another Labor Day has made history—and what history—for the Lake Tahoe resort area! Who can complain? It is exactly what we've all wanted for so long. The banner season with more, and more, and more people discovering Lake Tahoe!

Mae Meisenheimer came over from San Jose last weekend to enjoy a few hours of summer at home and to take the girls, Betty and Patsy, back for the next session of school. George will remain here until after deer hunting season. Oh, yes, Art Buhler came over with Mae.

Woman's Society of Christian Service house party will be held at Gold Crest October 1 and 2. It is expected that about 100 persons will attend.

Bible study will be held at the home of Mrs. Winifred Rapier on Tuesday, September 11.

Mr. and Mrs. Fred Vercoe left Thursday to visit Mrs. Vercoe's sister down in the southern part of the state.

George Jensen came up last weekend to move his family back to Pasadena, leaving their home at Tahoe for sale.

The Henry Chandas have been pretty busy lately, entertaining friends and relations. Mr. and Mrs. Richard Robinett and children, Gerry, Clyde, Russell and Dorotry have just left after a week as their guests. Robinett is Henry's nephew. Then, Mrs. Anna Blaue's birthday party took place this year in the Chanda home with the Robinetts present along with Hana Jensen, Catherine Dorse, Jessie Hale, Jennie Glunt, Rella Vercoe and Clara Van Hooser. Canasta was the diversion of the day with refreshments of cake, ice cream and coffee. Mrs. Blaue that day celebrated her 74th birthdate.

There was a meeting of the North Tahoe Community Club at Carpenters Hall in Kings Beach on August 31 during which the gavel was turned over to the new president, Mulford Miles, whom we have every reason to believe will conduct all future meetings in the interest of our community as a whole.

Recent reports from Tex and Peggy Jones, formerly Jones Cottages at Tahoe Vista, are that Tex is back in the hospital though doing nicely and that Peggy will be up some time this month for a visit with old friends and simply to enjoy being back at Tahoe.

Dr. and Mrs. John Keys will be up this weekend attending to the business of closing their Tahoe Vista Hotel for the season. Mrs. Keys was here during a good part of the summer with the children, having returned to their Inglewood home less than a month ago. This will be about their last visit to the lake during nice sunny days for a while.

Mr. and Mrs. Jacob Jessup of Sunnyvale were up for the big holiday weekend as guests of Mr. and Mrs. Ross Frank of Tahoe City. Jessup is chief of police at Sunnyvale.

Louise and Dan Anderson took a flying trip to Berkeley on August 27 to attend a line officers' party at the Westgate O.E.S. chapter. It was ocmplete surprise to the honored guests and a warm welcome was extended to the Andersons who are junior past matron and patron at Westgate.

Dickie Dobbie has been placed temporarily in the care of his grandfather, Mel Miller, while his father, Maj. Donald Dobbie, serves his country in the air command.

Bert and Dorothy King left last week for Glendale where they expect to spend the next few months. No, they're not finished with the lake. Just getting away for a while to better appreciate what they have left momentarily behind. They'll be back from time to time. And son Norman, who is in the service of his Uncle Sammy right now, will be up before long for a short visit with friends.

Guest of The Burroughs this week is Mrs. Ronnie Mark of San Francisco.

BOARD CHAIRMAN AGAINST MOVE TO KILL N.T.P.U.D.

AUBURN— The Placer County board of supervisors will continue study of a petition for an election to dissolve the North Tahoe Public Utility District.

Should the election be called, proponents of the election state, the management of the district could revert to the supervisors if the movement to dissolve is approved by a majority of the voters.

The petition has 89 verified signatures, according to County Clerk Lillian Rechenmacher.

Chairman William Hanies is opposed to the proposal and will not vote to call an election "without a court order," fearing it might establish a precedent which would result in a general county liability for outstanding bonds.

Proponents of the election say the NTPUD has $400,000 in outstanding bonds.

Mrs. Lily H. Mooney, spokesman for the petitioners, told the supervisors the purospose of the action is to take government of the district away from the present directors, all residents within the district, and place it in the board of supervisors at Auburn.

In response to a suggestion by District Attorney Al Broyer that a simple recall election might bring about a change in directors, Mrs. Mooney voiced vigorous opposition.

Directors currently serving are Joe King, T. D. Sutton and H. E. Brooks. A. E. Abbott is general manager of the NTPUD.

Nine of ten forest fires are started by man. BE CAREFUL! KEEP OUR FORESTS GREEN!

MONEY AND JEWELS ARE STOLEN FROM LAKE TAHOE CABIN

Jewelry and $100 were stolen from a Lake Tahoe home last week end, according to word received by the Washoe County, Nev., sheriff's office. The missing property belonged to Mrs. Nan G. Marosi of Los Angeles. Taken were three rings set with large diamonds and other precious stones, a $100 bill and a bracelet set with diamonds and sapphires.

Entry to the cabin was made through a window sometime Sunday night. Mrs. Marosi was unable to give the value of the missing jewelry.

Single Grazing Authority Sought in Congress Bill

Local support of Senate Bill 1149 in congress is being urged by officials of the U. S. Forest Service who hold the bill highly beneficial to the welfare of the west.

The bill was introduced as a result of the findings of the Hoover Commission and provides that all grazing lands be placed under the direct control of the department of agriculture instead of the authority being divided up among several agencies including the department of the interior, soil conservation groups, land management committees and others.

The bill, if passed, would result in sound, business-like management of western ranges, abolish confusion and the overlapping of authority as well as being far less expensive than at present, in the opinion of E. E. Boehm, local forest ranger.

The plan is supported by many stockmen as well as other citizens who find that some areas are suffering from overgrazing while others are not being utilized to the best advantage.

Archer Here—
Mr. and Mrs. Stanley Neighbors and son, Donald, of La Mesa have been visiting Mr. and Mrs. Robert Leamon this week while the former has been hunting deer with an archery set.

Tarzan

by EDGAR RICE BURROUGHS®

TRICKED BY A WILY SENTRY, TARZAN FELL INTO A CRUDE DUNGEON BELOW THE PALACE OF GOLD-- WHERE HE WAS GREETED BY A SNARLING TARMANGANI!

"WHO ARE YOU?" DEMANDED TARZAN. "RICHARD SMITH, EXPLORER," SIGHED THE OTHER. "LOST IN THIS DEVILISH LAND FOR TEN LONG YEARS-- FORGIVE MY HOSTILITY; I FIRST THOUGHT YOU WERE ONE OF THEM--" "THEN YOUR NIECE AND I HAVE FOUND YOU," INTERRUPTED THE APE-MAN. "BUT NOW WE ARE ALL PRISONERS!"

"NANCY, HERE! WE MUST DO SOMETHING," SOBBED SMITH. "SHE WILL BE SACRIFICED TO THE EMPEROR LION-- A MANEATER!" "WAIT!" EXCLAIMED TARZAN, "THERE'S AIR COMING THROUGH HERE--"

WORKING SWIFTLY, TARZAN LOOSENED THE ANCIENT BLOCKS AND SLIPPED THROUGH. "HURRY!" PLEADED SMITH. "THE RITUAL TAKES PLACE AT SUNRISE!"
